

REMARKS/ARGUMENTS

Examiner Desai telephoned the undersigned today and indicated that the instant application referred to "Claim 1" at page 2, line 5, and lacked a brief description of the drawings and, further, that both of these defects needed to be corrected by an amendment by Applicants. With respect to the first issue, the undersigned pointed out that the first defect, namely the reference to "Claim 1" at page 2, line 5, was already corrected on page 2 of the Preliminary Amendment filed March 17, 2005.

With respect to the second defect, Applicants now submit a brief description of the drawings. Applicants do not believe that the amendments introduce any new matter.

In view of the foregoing, Applicants respectfully request entry of this amendment.

Early and favorable action is earnestly solicited.

Respectfully submitted,

NORRIS McLAUGHLIN & MARCUS, P.A.
